

## Find Your Ring Size

### FIND YOUR RING SIZE FROM A CURRENT RING

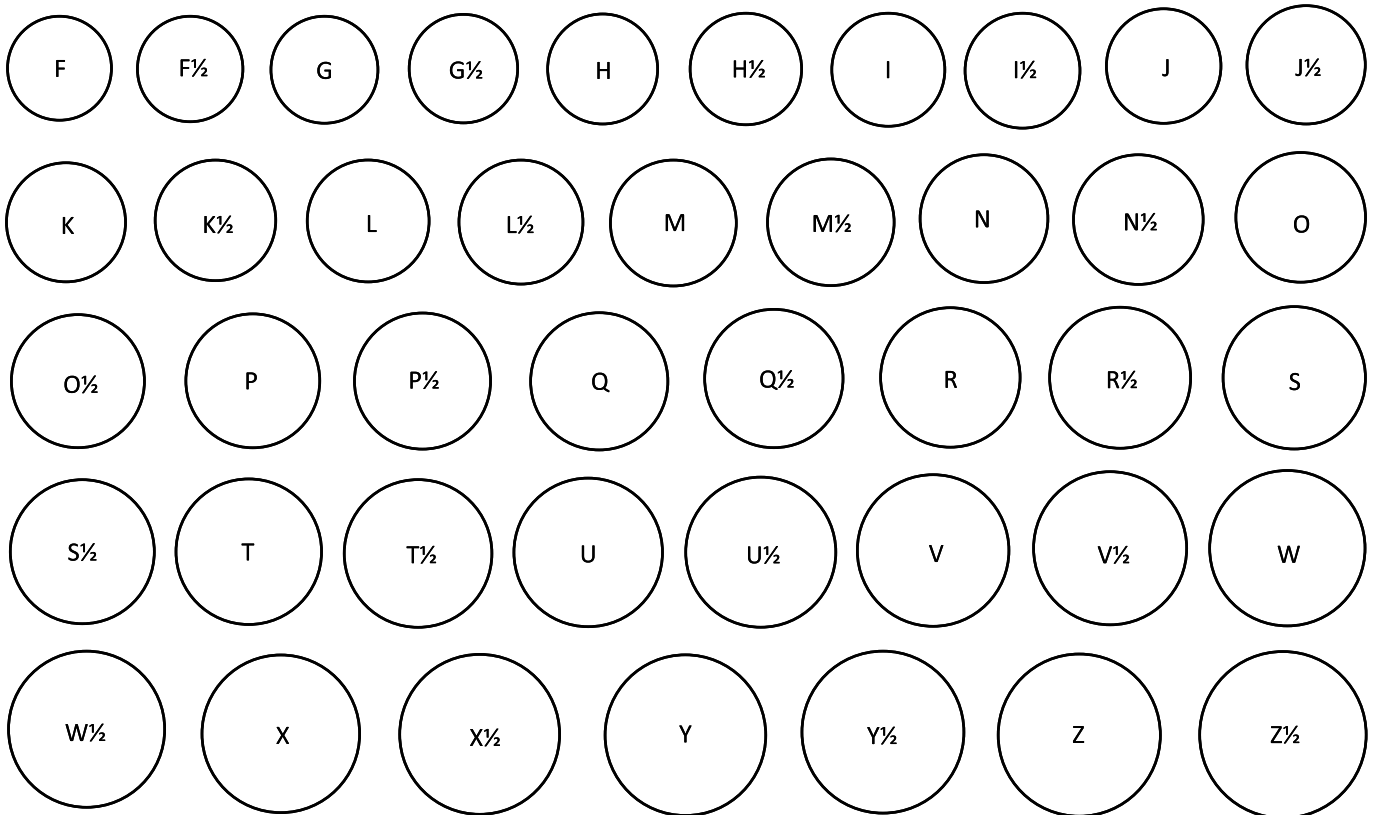

1. Choose one of your current rings that comfortably fits your finger.
2. Place our ring over the circles below until you find the best match. The circle should match the **INSIDE** of your ring.
3. If your size is in between two of the circles go with the larger of the two.

Please ensure the scale has printed correctly

1. Before printing, make sure that page scaling is set to 'None' in the print dialogue box.

2. Measure the scale on the left and ensure it is exactly 30mm long. If the scale is correct you can proceed without issue. If it is wrong, check your page has printed in full size.

Please get in touch if you have any difficulties finding your ring size.
